Transformation
Improvisation - Katharina
Urban
16 October – 23 November
An exhibition of contemporary designed
woven tapestries by Katharina Urban.
Katharina’s tapestries are created by using
special shades of colours that are created
by using several threads of different
coloured wool, silk, cotton or other fibres,
on each bobbin.
The tapestries display great subtlety and
complexity within their design.

Latitude
27 November 2014 – 19 January 2015
Artists from throughout the region have
been invited to submit works for this group
show entitled Latitude. Themed around
cartography, the exhibition allows the
viewer to look at maps and geographical
charts through the eyes of an artist. All
artworks have been inspired by
cartographic design and will interpret the
landscape from this perspective.
