Loop Walks Involving the Heysen Trail

Tanunda Circuit

8.5km, about 2-3 hours

A walk down the main street and past the cellar doors of two wineries. The Heysen Trail makes a quick entry and exit from Tanunda’s main street and doesn’t go past any of the wineries in the Barossa Valley allowing walkers to utilize their cellar door facilities. This walk remedies that failing.

1. As the Trail crosses the Main Street (Murray St), instead of going onto Jane Place, turn right or north into Murray Street. The shopping precinct of Tanunda is interesting with a great diversity of different types of shops on both sides of the street.

2. Not far along Murray Street there is an intersection where two roads enter onto Murray Street from the left or west. Take the diagonal one (Bilyara Rd) and follow this to its end.

3. Turn to your right or north along Langmeil Rd.

4. After some distance, probably a “wee meil” you will come to Langmeil Winery. Stopping for a wine tasting is optional. After this turn right or east into Para Rd.

5. You will come to the Peter Lehmann winery, turn into his driveway.

6. Stop off for a wine tasting if you like.

7. Walk back down his drive to Para Road then right or west to Stelzer Road, follow that to the intersection with Mattiske Road. Alternatively at Peter Lehmann Winery it is possible to walk through the winery past his stainless steel storage vats to his tree lined drive that enters off Stelzer Road and follow that road right or west again to Mattiske Road and so on as above.

8. Walk along this road heading west to the intersection with Hannisch Road.

9. Turn left or south and you are once again on the Heysen Trail.

10. Follow the Trail back to Jane Place and then to Murray Street.
