

## Barossa Enterprises Community Lifestyle Volunteer

The Community Lifestyle Connexions program provides support and education to enable people to participate in their community in ways that they choose.

As a volunteer you will work closely with qualified staff to help people with a disability engage in everyday activities.

- *Supporting with recreational activities such as walking, swimming, visiting the library, going for coffee or a local event*
- *Assisting with independent living skills such as cooking, shopping, reading*
- *Transport/driver (BE mini-bus)*
- *Sharing a passion for hobbies such as jigsaws, crafts, art, furniture restoration, photography etc*
