

## Volunteer Crèche Workers

The St Petri Church Hand in Hand Family Centre needs volunteers to help look after children while their parents or caregivers attend 'Free to Write', a creative writing group for wellbeing.

This is held weekly on Wednesdays from 9.00-11.30am during school term.

Volunteering can be done for as little as twice a term.

Crèche workers will need to undergo first aid training, have a Police check and attend a Professional standards workshop.

*Training will be provided for suitable applicants.*
