

Tanunda Lutheran Home Volunteers are required for the Barossa Club Day Therapy Service

The Barossa Club is a venue for seniors to experience meaningful activities and receive social support.

The Barossa Club offers a wide range of activities, leisure interests, guest speakers, bus outings, health information, and entertainment programs.

Although supported by caring and qualified staff, the Barossa Club requires dedicated volunteers to help the participants meet their interests and special needs.

Do you have some time on your hands?
Do you enjoy talking and listening to others and
have a natural empathy for aged care people?

If so, please contact Gina Nelson, Social Manager,
on 8563 7759
