

Williamstown Horse and Pony Club Volunteer

Gower Reserve, Williamstown

Volunteers are required to help with the maintenance of Gower Reserve grounds, assist in the Canteen at events and help in setting up for events.

We would also love to hear from anyone with experience of Horse and Pony Clubs &/or horses.

Key responsibilities include gardening, serving customers, preparing food and cooking the BBQs.

You will receive something to eat at Events. The most important benefit will be working with like-minded people while doing something you really enjoy!
