

## Community help needed at Altona Reserve

This is a wonderful opportunity to assist in the maintenance of Altona CSR Landcare Reserve. Play an active role in the preservation of this bushland and the flora and fauna of this unique area.

Don't be concerned about lack of experience as assistance is available when required. Enjoy the company of like minded volunteers while learning about the environment, including the management of weeds and track maintenance.

When: Every Thursday morning and the 4th Saturday morning of each month from 9am to 12 at Altona Road, 2km NE of Lyndoch.
