

# Become a Bushgardener

## Join our Volunteer Team!

The Barossa Bushgardens and Natural Resource Centre is dedicated to the protection and promotion of our local Barossa plant species and the health of our wider environment.

### Volunteers help with:

- Seed collection
- Plant propagation in the nursery
- Garden maintenance
- Re-planting
- Promotions and event planning

### Volunteers receive:

- A supportive volunteering environment
- An understanding of local plants
- Lots of social interaction

## Join us for our volunteer days Tuesday and Thursday
