

Barossa Enterprises Community Garden

Barossa Enterprises Community Garden is run by volunteers with the objective of providing a range of benefits to people with a disability. Benefits include the ability to participate in a healthy outdoor activity, learning where and how food is grown, a sense of achievement, enjoying the goodness of fresh produce in their meals at work and at home.

Community Garden Workers may undertake a range of tasks involving the cultivation, growing, harvesting and maintenance of trees, plants and gardens.

- *Prepare new garden sites, plots and soils using hand tools or equipment*
- *Assist with planting and transplanting seeds, bulbs, flowers, shrubs and trees*
- *Clean gardens and remove rubbish*
- *Maintain plants and gardens by watering, weeding, fertilising and cutting grass*
- *Adjust irrigation systems, in a garden or greenhouse*
- *Erect barriers, fences or structures in gardens*
