

Volunteers required for the development and maintenance of the

Dementia Friendly Communities Garden

This garden is designed for people living with dementia & their families. A safe and tranquil public setting where people can share their stories. If you have an interest in gardening & 'dementia awareness' then this is a volunteer role for you!

Location: Barossa Bushgardens,
Nuriootpa

Key responsibilities:

- ◆ Planting, weeding & nurturing garden
- ◆ Welcoming visiting families

Induction training provided
Police and Medical checks required
Drivers licence required
