# Café Volunteer

We are looking for volunteers to assist in our café.

**This is a great opportunity to make friends and gain hospitality experience within a supportive team environment.**

The Café serves light meals and refreshments to visitors, staff and occasionally residents.

The role includes basic food preparation, front counter service and table service.

You would be working within a team and training would be given.

A basic understanding of food practices would be highly desirable.

Volunteers can choose shifts from Mon - Fri and working hours are 9.00 am to 3.00 pm.

This can be on a casual basis or structured into a regular volunteering commitment.

A police check will need to be carried out for successful applicants.
