

Make someone's day!

Would you like to make regular visits to older people who are in an aged care facility and have no other visitors?

Volunteers for this role should have good conversation and listening skills, and empathy for older people.

Where? Various locations throughout the Barossa.

When? A minimum of one hour a fortnight is all that is required.

Lutheran Community Care Community Visitors Scheme are looking for friendly, reliable volunteers who can make a small but regular commitment to visiting an older person. Volunteers are matched to people who have similar interests in order for rewarding friendships to develop.

For more information please contact Annie Chambers on 8562 2688 (available Wednesdays only) or email achambers@lccsa.org.au
