

Drive My Future

The Drive My Future program will develop, implement and manage a sustainable long term program to overcome the barrier of driving experience for L-Plate drivers and assist them in advancement to their P-Plate licence.

We are looking for volunteer drivers to provide a one hour supervised driving service for L-Plate drivers who do not have access to a vehicle or no access to a supervising driver. Volunteers can do 1-2 hours per week and nominate a time slot that suits them.

The automatic vehicle will be provided by Youth Barossa and garaged at Barossa Council. Volunteer drivers will need to undertake a minimum of 3 professional driving lessons, completed within the past 2 months of commencing the program.

This program is a new initiative and will be commencing 1st October 2018.

Costs associated will be paid by Youth Barossa.
DCSI clearance required.
