

# JOHN'S PLACE

## Volunteer Youth Mentors

The John's Place program identifies young people's interests and builds on them through new experiences and opportunities as a way of re-engaging with education, training and/or employment.

Mentors are adults who have a genuine interest in the well-being of young people who can offer guidance, support and encouragement through a chosen area of expertise.

Activities include; woodwork, metalwork, craft, cooking, mechanics and panel beating and electrical goods recycling.

John's Place operates Thursday mornings at Moppa Road South, Nuriootpa.
