FINANCE

Financial statements presented for March 2014. Queried whether the reserve balance of \$11,815 is committed to a particular project.

MOVED: T Bouts, that this statement be accepted.

Seconded: N Vaughan CARRIED

GENERAL BUSINESS

Discussion on S41 community committees project – Cr J Angas provided first hand update of workshop discussions. It appears there is considerable uncertainty and concern still to be resolved by Council on how the proposed models for restructuring the community committees will operate to properly understand the likely repercussions that may result.

The main concern from the committee is that the end result must provide a workable system that ensures the long-term viability and encourages the continued volunteered support of the community. The committee would be interested in pursuing further information about the incorporated option to better understand what would be involved and how much support would be provided from Council in establishment and ongoing operation.

D Zimmermann queried the scheduling of hedge trimming and weed spraying.

P Feist reported a request from skate park users for topping up soil embankments, and queried the scheduling of oval mowing so that it is completed before line marking for home games.

M Grossman reported that the mowing will be completed the day before line marking needs to be done for home games.

NEXT MEETING

The next meeting will be held on Wednesday 28 May 2014 in the Angaston Show Hall office at 7:30pm.

MEETING CLOSED at 8:40pm.
