

INDEPENDENT AUDITOR'S REPORT

To the members of the Nuriootpa Centennial Park Authority

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a general purpose financial report, of the Nuriootpa Centennial Park Authority (the entity), which comprises the Certification of Financial Statements on the annual statements giving a true and fair view of the financial position and performance of the entity, the Statement of Comprehensive Income, the Statement of Financial Position, the Statements of Changes in Equity, the Statement of Cash Flows for the year then ended 30 June 2017 and the notes comprising a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial report of the Nuriootpa Centennial Park Authority is in accordance with the requirements of the *Local Government Act 1999* and the *Local Government (Financial Management) Regulation 2011*, including;

- (i) giving a true and fair view of the entity's financial position as at 30 June 2017 and of its performance and cash flows for the year then ended; and
- (ii) that the financial records kept by the entity are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described as in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the entity in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Chief Executive Officer for the Financial Report

The Chief Executive Officer is responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards (including the Australian Accounting Interpretations), the *Local Government Act 1999* and the *Local Government (Financial Management) Regulations 2011*. This responsibility includes determining that the basis of preparation described in Note 1 is appropriate to meet the need of the members. The Chief Executive Officer's responsibility also includes designing, implementing and maintaining internal controls relevant to enable the preparation of the financial report to be free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Chief Executive Officer is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Chief Executive Officer of the Nuriootpa Centennial Park Authority is responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that the audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
