Disposal of e-waste, whitegoods and soft plastics

Council's partnership with the Father's Farm at Nuriootpa continues to provide households and small business with an e-waste facility for disposal of computers, televisions and whitegoods. Please note the disposal of fridges attracts a \$10 fee to cover the cost of de-gassing.

Light industry can also deposit soft plastics but please phone ahead on 0487 703 470 to arrange disposal of large quantities. John's Shed is located on Moppa Road South, Nuriootpa and is open Thursdays 8.30am-12.30pm.

Disposal of hazardous waste

Council does not provide a hazardous waste program. If this service is required please contact Council who can advise of suitable locations depending on the type of waste material.

Springton Waste Transfer Station

The Barossa Council operates a waste transfer station at Springton, located at 1508 Springton Road, approximately four kilometres out of Springton. The station is open on the second Saturday of each month, from 9am to 3pm. The transfer station does not operate on days declared Total Fire Ban.

The following items **will not be accepted**: permepine posts, tyres, loose paper, plastic, car bodies, asbestos, chemical containers, poisons, paint tins. Old fridges and freezers will only be accepted if gas cylinders and doors have been removed. To dispose of treated timber (permepine posts) please contact the IWS Group on 8348 5110 about costs and drop off at their Dublin site.

Proof of identification is required (by rate notice or drivers licence) for the resident fee to apply. EFTPOS facilities are not available - only cash or cheque accepted.
