Barossa to welcome Queen's Baton

Local people are being called on to carry the Queen's Baton in the Barossa as it prepares to host the Queen's Baton Relay (QBR).

The eyes of the Commonwealth will be on Angaston on 18 February, 2018 as the Baton journeys towards its final destination, the Gold Coast 2018 Commonwealth Games (GC2018) Opening Ceremony on 4 April, 2018.

Across Australia approximately 3800 batonbearers are needed to share the dream of the 'friendly Games' as part of the QBR.

A community nomination program is offering the people of the Barossa and the surrounding region with an opportunity to carry the Baton.

Until 15 May 2017, anyone can nominate a person who inspires them to be great.

Nominations can be made at gc2018.com/qbr.

GC2018 are looking for people who:

- Have achieved something extraordinary or inspired others to achieve something extraordinary; or

- Have made a significant contribution to either sport, education, the arts, culture, charity or within their community; or
- Have excelled, or aspire to excel athletically or personally; or
- Contribute to a fun, friendly, vibrant and inclusive community;
- Are at least 10 years old as at 25 December 2017; and
- Are an Australian citizen or lawfully entitled to reside in Australia during the Relay period (25 December 2017 – 4 April 2018).

Mayor Bob Sloane (pictured) said it was a privilege for the Barossa to be involved.

"We're delighted to be a part of an event that will take the Barossa to the world and I encourage people to nominate a local person they think deserves to be a Batonbearer, whether they're an aspiring young person or someone who is already accomplished," he said.

"I for one can't wait for the start of the QBR and to follow its journey around the world on its way to the Barossa and the Opening Ceremony of the Gold Coast 2018 Commonwealth Games."

Vision for Tanunda Recreation Park

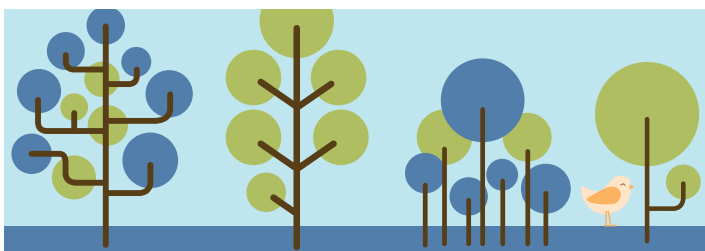

The Tanunda Recreation Park Masterplan will be updated based on extensive community feedback.

Council received 47 formal submissions and a further 79 comments at town shows and public events.

A consistent theme was preserving the amenity of the park and retaining quality green open space.

At Tuesday's Council meeting Council resolved to update the Masterplan to ensure sporting interests are balanced with the needs of other recreational users and the general community.
