14. STARTING WORK – DEPOTS

Depot Employees are required as directed by their Supervisor to commence work and finish work at any of the Council Depot locations to meet operational needs. Council will by agreement provide a vehicle for situations when required.

15. USE OF RESOURCES

This Agreement provides an understanding and recognition by the parties regarding the need

for Council to provide cost-effective services to the community. The parties recognise that in this regard, Council work will continue to be undertaken by a mix of internal Council labour and external service providers. The parties acknowledge the right of Council and the

Corporate Management Team to make decisions relating to service delivery having regard to cost implications, efficiency and effectiveness of service delivery together with any other relevant considerations.

15.1. The use of outside service providers by Council will generally have at least one of the following characteristics:

- to undertake new or renewable construction work and / or projects
- circumstances that require specialist skills, and / or the operation of plant and equipment not readily available through existing Council resources
- other Council operations as may be decided by Management.

15.2. Management will fully consult with relevant Employees and their representatives prior to the implementation of any significant change to existing working/ operational arrangements. 16. TRUSTED PERSONAL LEAVE (Use of Sick Leave Entitlement)

Council acknowledges the relationship between work and family obligations and the importance of providing flexibility to Employees in order to support Employee wellbeing, to reduce the potential conflict between work and personal life, to increase productivity and reduce absenteeism.

- 16.5. Such leave is not restricted in terms of the number of days that can be taken (provided that sufficient leave has been accrued by the Employee) and will be automatically authorised by Council.
- 16.6. Council reserves the right to request an Employee who is absent due to personal illness for three (3) consecutive days or more to provide a medical certificate indicating the date on which an Employee is fit to resume duty.

If decided an appropriate course of action, the Employee will be advised that a medical certificate or other form of evidence will be required for all future absences. In the absence of appropriate documentation being provided, trusted personal leave may not be paid and the absence from work will be seen as unauthorised.
- 16.9.2. Where evidence for an absence is required, the Employee may provide either a medical certificate (including, as best as possible, the date on which an Employee is fit to resume duty), a Statutory Declaration or another form of advice that can reasonably substantiate the reason for the absence to Council's satisfaction.
- 16.9.3. This clause is to be read in conjunction with Clause 7.2 Sick Leave and 7.5 Carer's Leave of the Award.
- 16.10. Nothing in this Clause prevents the CEO from granting special or annual leave for an Employee in circumstances of exceptional need. Where an Employee has insufficient trusted personal leave or annual leave entitlements, approval may be granted by the CEO to utilise a negative leave accrual of up to five days. - 26.4. The Formal Warning Process may lead to termination of employment if performance deficiencies are not rectified and represents a serious step for the Employer to take in the management of individual performance.
- 26.5. Council's performance management process including formal disciplinary procedures is outlined in the *Performance Management Process*.

At a minimum the following process outlines steps for implementation of Formal Disciplinary Process:

26.5.1. STEP ONE First Formal Warning

- 26.5.1.3. Employees should fully understand the seriousness of the situation and that the formal action may lead to termination of employment should performance not improve.
- 26.5.1.4. Strategies will be jointly developed to provide support and guidance to the Employee which may involve a series of one to one meetings, training or any other methods that may assist the Employee to redress the poor performance.
- 26.5.1.5. A date will be set for review.
- 26.5.1.6. Notes of the meeting will be kept and filed on the Employee's personnel

file and the Employee will receive a letter confirming that a First Formal Warning has been issued. The letter should outline the reason for the First Formal Warning, the improvements that need to be made and the strategies to be adopted to assist in performance improvement.

26.5.2. STEP TWO Review/Second Formal Warning

- 26.5.2.1. At the time of the review (as in 25.5.1.5 above), the Employee's performance may have improved to such a degree that there will be no need for any further formal process. Should this be the case all records in relation to this matter may be removed from the personnel file immediately or alternatively remain on record for no more than 12 months.
- 26.5.2.2. If some improvement in performance has been achieved the ongoing formal process will be left in place and a further review date established and areas requiring continued improvement shall be identified and recorded.

Should this be the case, all records in relation to this matter may be removed from the personnel file immediately, or alternatively, remain on record for no more than 12 months.
- 26.5.3.2. Performance may have improved; however it is viewed that ongoing formal processes should be left in place and a further review date established.
- 26.5.3.3. Should it be determined that performance has not improved and that termination of employment is warranted, then the Employee will be made fully aware of the matters regarding performance

which have led to the termination. Termination of employment will be confirmed in writing.

It is expected that the Employee concerned is made fully aware of work expectations and the specific areas of work deficiency. Suitable training arrangements and/or counselling measures should be utilised in order to achieve positive outcomes. 35. NEGOTIATION OF FURTHER AGREEMENT

The parties agree to meet through the Enterprise Bargaining Negotiating Committee 6 months prior to the expiration of this Agreement to consider the means for renegotiation of an Enterprise Agreement.

36. NO FURTHER CLAIMS

The amalgamated AWU (SA) State Union undertakes that during the period of operation of this Agreement there shall be no further wage increase sought, or granted, except for those provided under the terms of this Agreement.

The Enterprise Agreement shall not preclude increases granted by a State Wage Case for economic adjustment purposes from being accessed by those covered by this Agreement. Such State Wage Case decisions must clearly determine that any such increases are in addition to Enterprise Bargaining increases.
