

Standpipe Terms of Use

Users take water from the supply on the understanding that it may not be suitable for human consumption.

Standpipe Locations

1. Mount Pleasant

Railway Terrace (within Talunga Park Showgrounds, near the Community Wastewater treatment plant)

2. Moculta

780 Hutton Vale Road (at the sporting grounds, behind the oval and clubrooms)

3. Eden Valley

Rhine Park Road (at the Eden Valley Oval, 100m East from the intersection with Eden Valley Road)

Water usage

The provision of water is primarily for stock and domestic use by property owners within The Barossa Council area who do not have access to a reticulated water supply and require water by necessity, as a consequence of prevailing drought conditions.

Water supply

Council will be under no obligation to provide supply from an alternative source in the event of failure of the delivery system and will not be liable for any losses incurred by the non-supply of water. Due to the electronic nature of the control system, water may not be available in the event of a power failure. Council will endeavour to rectify faults causing non-supply in a timely manner.

Access to standpipe water

Access to the standpipes is available 24 hours per day, 7 days a week. They are operated via a swipe card or QR Code located on the standpipe, which is directly linked to an online pre-payment system. Please refer to the current [Fees and Charges Register](#) for rates.

Reporting damage

Please report damage to/or failure of the standpipe system as follows:

- Uncontrolled water spillage or damage that is a risk to public safety – 24/7 Service on 8563 8444.
- Minor damage or non-delivery of water – Call Customer Service on the next business day on 8563 8444.

Council may vary these terms of use at any time.
