Dear [RATE PAYER FIRST NAME],

The South Australian Local Government Boundaries Commission (the Commission) is conducting an inquiry into a boundary change proposal from the Town of Gawler. The Commission is an independent body responsible for investigating proposals to change council boundaries and makes recommendations to the Minister for Local Government.

The Town of Gawler has proposed to include in its boundaries seven areas currently in Light Regional Council, The Barossa Council and the City of Playford. The proposal also includes moving two areas from the Town of Gawler to the City of Playford. Maps of the areas affected by the proposal and more information is available at <https://yoursay.sa.gov.au/gawler-boundary-review>.

Your property at [ADDRESS] has been identified as being within an area proposed to change from [COUNCIL 1] to [COUNCIL 2].

No decision has been made yet whether this proposal will proceed.

The Commission has appointed BDO to investigate the Town of Gawler's proposal. BDO is engaging with stakeholders as part of the investigation. Engagement with stakeholders like you is an important part of the inquiry.

Feedback will inform BDO's findings and recommendations to the Commission. You are invited to share your thoughts about the potential impacts of the proposed boundary realignments before **30 August 2024** by:

- completing the enclosed survey or providing a written submission to:
