

THE BAROSSA COUNCIL BUILDING INSPECTION POLICY

1. Purpose / Policy Objective

1.1 This Policy seeks to monitor the standard of construction work within the Barossa Council ("the Council") area and sets out the Council's policy for the mandatory and non-mandatory inspections of buildings and structures associated with development assessment activities in accordance with the *Planning, Development and Infrastructure Act 2016* ("the PDI Act").

Pursuant to Section 42 of the PDI Act, the State Planning Commission ("the SPC") has issued:

1.1.1 Practice Direction 8: Council Swimming Pool Inspections 2019 ("Practice Direction 8") pursuant to Section 156(5) of the PDI Act for the inspection of swimming pools and related safety features to ensure the safety of swimming pools, noting the high risk they can pose, particularly for young children; and

1.1.2 Practice Direction 9: Council Inspections 2020 ("Practice Direction 9") for the purposes of Section 144 of the Act that requires the Council to carry out inspections of certain developments within the Council area.

1.2 A copy of Practice Direction 8 and Practice Direction 9 can be accessed online through the SA Planning Portal at www.saplanningportal.sa.gov.au.

In preparing this Policy, the Council has taken into account the mandatory requirements in Practice Direction 8 and Practice Direction 9 and used a risk assessment approach, taking into account the matters set out in section 144(3) of the PDI Act, as well as other relevant matters, including (but not limited to):

1.2.1 The financial and other resources of the Council;

1.2.2 The impact that a failure to inspect a certain number of developments over a period of time may have on the local community;

1.2.3 The size and population of the Council;

1.2.4 The amount of development in the Council area;

1.2.5 The type and class of development that predominates within the Council area;

1.2.6 The level of experience and past experience of the builder;

1.2.7 Owner builders, especially where there is the likelihood of work being undertaken by unqualified persons;

1.2.8 In relation to building work, whether particular parts of the Council area are known to be subject to poor building conditions;

1.2.9 Information in the possession of Council on poor building standards within its area; and

1.2.10 The public interest in ensuring that development is undertaken in accordance with the requirements of the PDI Act.

This Policy will commence operation upon the commencement of the Planning and Design Code and the PDI Act in the Council area.

2. Scope / Criteria for selection of buildings to be inspected

2.1 This policy will apply to all Development Approvals issued for development in the Council area.

In selecting a building for inspection, the Council will have regard to the following (non-exhaustive) criteria:

- 2.1.1 Buildings which appear to be unsafe;
- 2.1.2 Buildings which ordinarily present a high risk to life and safety, and in particular swimming pools;
- 2.1.3 Buildings which are used by large numbers of people, particularly where many people do so simultaneously;
- 2.1.4 Buildings which involve roof framing;
- 2.1.5 Buildings which are required to provide access to persons with a disability or buildings which are to be used by vulnerable persons or persons with a disability;
- 2.1.6 Buildings in respect of which the Council has been made aware of a complaint or regulatory issue relating to the building or any person involved in the building work;
- 2.1.7 Buildings constructed by persons who are not licences building work contractors under the *Building Work Contractors Act 1995*;
- 2.1.8 Buildings incorporating construction properties or products, including but not limited to, fire-rated construction, fire safety elements or designated building products;
- 2.1.10 Distribution between owner builders and registered builders;
- 2.1.11 Owner builders, especially where there is the likelihood of work being undertaken by unqualified people;
- 2.1.12 Reputation of registered builder and previous experience with Council;
- 2.1.13 Whether the building work was approved subject to conditions; and
- 2.1.14 Any other reason determined by the relevant Authorised Officer.

Where a building is selected for inspection it may be inspected at any stage of construction, and may be inspected more than once.

Where a complaint is made about the condition or use of a new or existing building and/or excavation or construction work in progress, an inspection may be undertaken within timeframes that take account the urgency of the situation and the availability of resources.

Council may deem (but not limited) the following defects of a dwelling completion inspection to be serious in nature and not suitable for occupation by occupants for the following reasons:

corrected does not count as a new inspection. Any re-inspection is taken to be part of the initial inspection.

Enforcement / Expiations / Fines

Council may upon discretion issue an expiation under the *Planning, Development and Infrastructure Act 2016*.

Liability

Council inspects building work in accordance with the objectives of this Policy. Inspections are undertaken by the Council solely as a result of its duties under the PDI Act and the Policy. Inspections are not carried out for the benefit of any past, current or future owner, occupier or neighbour of any building work and no legal relationship is created between the Council and any other such person as a result of the inspections.

Council does not accept any liability in relation to any inspection.

In the event of any dispute with the Council as a result of an inspection, any conduct engaged in or statements or comments made by an officer of the Council, with the intent of resolving or otherwise managing the dispute, are not intended as, and are not to be taken as, any admission of responsibility or liability on the part of the Council.

Mandatory Notifications

Pursuant to Section 146 of the PDI Act and Regulation 93 of the *Planning, Development and Infrastructure (General) Regulations 2017* a person undertaking building work is required to notify the Council during specified stages of the building work.

Applicants/owners/developers will be advised of required notifications in writing at the time of issue of the Development Approval.

Development Approvals

Council will monitor developments for compliance with the relevant Development Approval(s) and the conditions imposed on the Development Approval(s). Random inspections to ensure development is being undertaken in accordance with its Development Approval will be undertaken by the Council as resources allow.

Unauthorised Development

Inspections by the Council of unauthorised building work will be carried out on a random basis and as resources allow.

Any complaint resulting from unauthorised building work will be investigated in accordance with Council's Enforcement Policy.

Dangerous Structures

Any report of dangerous structures within the Council area will be investigated as soon as possible and the necessary action taken in accordance with Council's Enforcement Policy.

Record Keeping

Council shall keep records of the inspections it carries out in accordance with this Policy and Practice Directions 8 and 9, and keep those records in a Register that is available for inspection by the State Planning Commission (SPC) upon 5 business days' notice.

Records of inspections will include, but are not limited to:

	Approval date: 20/5/2025	Review date: 20/5/2029	Approved by: Council Council Minute Boof Ref: 2022-26/718	Ref: 21/22893*	Page 4 of 6

1. the date and time of an inspection;
2. type of inspection;
3. who undertook the inspection;
4. elements inspected;
5. breaches, issues, or faults found;
6. rectification required;
7. requirements for re-inspections (including timing); and
8. Enforcement action.

The Council will keep its records in accordance with the *State Records Act 1997* and Local Councils and Local Governing Bodies and Authorities (GDS 40).

Counting Inspections

The first inspection of a building under the mandatory inspection requirements will be counted as one (1) inspection.

1. Where a building is inspected at a stage, and issues are detected requiring further inspection, any further inspection related to the issue will be counted as part of the prior inspection related to that issue.
2. An inspection of a building at a later stage is not to be counted as a separate inspection, even if the building was inspected at an earlier stage.
