

Register of Salaries - July 2026

*Data current as of 31 July 2026

Salary ranges represent base annual salary for each position and level. Superannuation is paid in addition to salary and applies to base salary, above-award payments and applicable allowances in accordance with legislative requirements. Non-cash benefits are disclosed where applicable.

Note: Where a vehicle is provided for commuter or private use, a Council-issued fuel card is included for that vehicle. Vehicles approved for private use are fully maintained by Council as part of the employee's remuneration package. The "Fuel Card - Private Use" column refers only to fuel cards provided as a standalone remuneration benefit for private use.
