

MINUTES OF THE MEETING OF COMMUNITY ASSISTANCE SCHEME COMMITTEE

held on Tuesday 19 November 2024 commencing at 4:00pm
in the Council Chambers, 43-51 Tanunda Road, Nuriootpa.

MINUTES

Welcome by Cr Kathryn Schilling declared the meeting open at 4:00pm.

1. ATTENDANCE RECORD

1.1 Members Present

Mayor Bim Lange, Crs Kathryn Schilling, John Angas, Bruce Preece and David de Vries

Apologies

Nil

Not Present

Nil

Leave of Absence

Nil

2. CONFIRMATION OF PREVIOUS MINUTES

2.1 Minutes of previous meetings – for confirmation:

MOVED Cr Preece

That the Minutes of the Community Assistance Scheme Committee held on Wednesday 7 August 2024 at 4.30pm, as circulated, be confirmed as true and correct records of the proceedings of those meetings.

SECONDED Cr de Vries

CARRIED CA 2022-26/63

2.2 Matters arising from previous minutes

Nil

3. MATTERS FOR INFORMATION

3.1 COMMUNITY ASSISTANCE SCHEME COMMITTEE - 2025 MEETING SCHEDULE

3.2 COMMUNITY ASSISTANCE SCHEME COMMITTEE SELF-ASSESSMENT RESULTS

3.3 ACTIONS FROM PREVIOUS MEETINGS

3.4 BUDGET UPDATE - 1ST QUARTER 2024/2025

4. DEBATE REPORT

4.1 GRANT ACQUITTAL - YOUNG LIFE AUSTRALIA 24/40749

MOVED Mayor Lange

That the Community Assistance Scheme Committee receives and approves the Acquittal documentation in relation to the Community Grant of \$5,000 (ex GST) awarded to Young Life Australia towards the establishment of The Barossa Valley Youth Empowerment Space.

SECONDED Cr de Vries

CARRIED CA 2022-26/64

PURPOSE

To consider the Acquittal documentation in relation to the Community Grant awarded to Young Life Australia towards the establishment of The Barossa Valley Youth Empowerment Space (BYES).

REPORT

Background

The Community Assistance Scheme Committee, at its meeting held 3 May 2023, approved a Community Grant to the value of \$5,000.00 (excl GST) for The Barossa Valley Youth Empowerment Space. The following was resolved:

MOVED Cr Preece

That Community Assistance Scheme Committee:

- (1) Approve a Community Grant of \$5,000 (ex GST) towards the establishment of the Barossa Valley Youth Empowerment Space.
- (2) Should the project be approved, require that The Barossa Council be appropriately acknowledged as a funding source for the project through social media, signage, website, and promotional material (if possible).

SECONDED Mayor Lange

CARRIED 2018-22/1

Introduction

The Community Assistance Scheme Policy requires that 'a written assessment of the project, including a financial statement (Acquittal Statement) is required from the Grant recipient upon the completion of the project'. The project has now been completed.

Discussion

Young Life Australia have provided an Acquittal Statement which is included as Attachment 1.

Summary and Conclusion

CASC is requested to approve the acquittal information provided by Young Life Australia.

4.2 GRANT ACQUITTAL - NURIOTPA TOWN BAND INC. **24/83587**

MOVED Cr de Vries

That the Community Assistance Scheme Committee receives and approves the Acquittal documentation in relation to the Community Grant of \$2,000 (ex GST) awarded to the Nuriootpa Town Band towards the public toilet lighting upgrade project.

SECONDED Cr Preece

CARRIED CA 2022-26/65

PURPOSE

To consider the Acquittal documentation in relation to the Community Grant awarded to the Nuriootpa Town Band Inc. for the public toilet lighting upgrade project.

REPORT

Background

The Community Assistance Scheme Committee, at its meeting held 3 August 2022, approved a Community Grant to the value of \$2,000.00 (ex GST) for the Nuriootpa Town Band for the public toilet electrical upgrade project. The following was resolved:

MOVED Cr Schilling

That Community Assistance Scheme Committee:

- (1) Approves a Community Grant of \$2,000.00 (ex GST) for the public toilet lighting upgrade project.
- (2) Require The Barossa Council be appropriately acknowledged as a funding source for the project through social media, signage, website, promotional material and packaging (if possible).

COMMUNITY ENGAGEMENT

Community consultation is not required under legislation or Council policy.

4.3 **SA RECREATION TRAILS INCORPORATED - COMMUNITY GRANT APPLICATION** **24/84005**

MOVED Mayor Lange

That the Community Assistance Scheme Committee:

- (1) Supports a Community Grant of \$3,113.55 (ex GST) towards the Lavender Cycling Trail Downloadable Maps Project.
- (2) Require SA Recreation Trails Incorporated appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage, website, promotional material and packaging (if possible) is successful in obtaining grant funding.

SECONDED Cr de Vries

CARRIED CA 2022-26/66

PURPOSE

To consider a Community Grant Application (the Application) from SA Recreation Trails Incorporated (SARTI), seeking \$3,113.55 (GST inclusive) towards the Lavender Cycling Trail Downloadable Maps Project.

REPORT

Background

SARTI is a volunteer run organisation which develops, manages and promotes walking and cycling tours throughout South Australia.

The Murray to Clare Lavender Cycling Tour is a 300 kilometre cycling route inspired by the Lavender Federation Walking Trail, and follows dirt roads and tracks from Murray Bridge to Clare. The track was built entirely by volunteers.

Introduction

An application has been received from South Australian Recreational Trails Incorporated (SARTI) for funding to assist with the development of cycling trail maps which can be downloaded and printed for free from the Lavender Cycling Trail website to assist cyclists in navigating the Lavender Cycling Trail

The Murray to Clare Lavender Cycling Tour is divided into four main sections:

- Clare to Waterloo (67 kilometres)
- Waterloo to Eudunda (44 kilometres)
- Eudunda to Mount Pleasant (119 kilometres)
- Mount Pleasant to Murray Bridge (72 kilometres)

Approximately 20% of the Lavender Cycling Trail falls within The Barossa Council area with Mount Pleasant, Springton and Eden Valley being the main towns to potentially benefit from increased use of the cycling trail.

Funding for mapping of the portion of the trail in neighbouring council areas has been sought, with Mid Murray Council, Rural City of Murray Bridge confirming funding contributions. Goyder Council and Clare & Gilbert Valley Councils have also been approached to consider funding for the components of the project that pass through their respective Council areas.

Discussion

Approximately 2000 people have utilised the Trail during 2024, based on the statistics of organised events on the Lavender Trail during 2024, in addition to trackers placed along the Trail.

The Applicants seek funding of \$3,113.55 which is the quoted amount to produce mapping for the portion of the Trail that falls within The Barossa Council area.

The improved mapping would encourage recreational activities and potentially provide tourism opportunities with increased usage of the Trail.

Summary and Conclusion

SA Recreational Trails Incorporated are seeking funding to assist with the development of cycling trail maps for the portion of The Lavender Trail that falls within The Barossa Council area.

Officers recommend that, should the Committee support the funding request, that recognition of Council's support be included in the promotion of the project and any project deliverables.

COMMUNITY ENGAGEMENT

Community consultation is not required under Legislation or Council Policy.

4.4 **LUHRS COTTAGE PRESERVATION SOCIETY INC. - COMMUNITY GRANT APPLICATION 24/85350**

MOVED Cr Angas

That Community Assistance Scheme Committee refers the Application for funding to Council for decision, to be considered at the meeting of Council to be held 17 December 2024.

SECONDED Cr de Vries

CARRIED CA 2022-26/67

PURPOSE

To consider a Community Grant Application (the Application) from Luhrs Cottage Preservation Society Inc., seeking \$5,000 (ex GST) towards the 'Digitize the Barossa News' Project.

REPORT

Background

The proposed project is a joint project by the Barossa Heritage Network of which Luhrs Cottage is a participant.

The Barossa News was a weekly newspaper published in Tanunda, and was established in 1908 by John Birdseye Cant, a Western Australian printer and newspaperman. Initially just 500 copies were printed, but after a few years the circulation had risen to 2,500.

It was the first English newspaper to provide significant local news coverage to the region including Angaston, Tanunda, Truro, Nuriootpa, Greenock, Stockwell, Keyneton, Moculta, Eden Valley and Murray Flats Districts. The newspaper was printed each Saturday and initially sold for one penny.

Introduction

The newspaper has been microfilmed and the project aims to have it digitized at the State Library of South Australia and added to Trove. Electronic access to this archive will broaden the understanding of the complexity of the Barossa's multicultural community and the impacts of the events such as both the World War's had on the community.

Discussion

Since the advent of Trove in 2009 most Australian newspapers from 1803 to 1954 are freely available for historians and interested community members to access online. Currently there is no local newspaper version on Trove for the period 1908 to 1919, a key gap in time which was a period that saw significant changes, such as:

- Canberra is chosen as the Nation's Capital
- The first powered aeroplane flight in Australia is made
- The Royal Australian Navy is founded
- The Northern Territory comes under Commonwealth control, being split off from South Australia
- ACT is proclaimed
- Australia sends women to the Olympic Games for the first time
- Australian soldiers were sent to the First World War (the first time Australians had fought under the Australian flag, as opposed to that of Britain's)
- Australian soldiers land at ANZAC Cove on the Gallipoli Peninsula
- Hotels are forced to close at 6 pm, leading to the beginning of the "six o'clock swill"
- Australia suffers heavy casualties in the Western Front Battle of the Somme
- The Labor government under Billy Hughes splits over conscription. First and second referendums are rejected
- Transcontinental Railway linking Adelaide to Perth is completed
- First World War Ends – 60,000 Australians dead

The Barossa News documented the challenge to social cohesion that arose during both World Wars when anti-German sentiment saw the closing of Lutheran Schools and the renaming of towns with German names.

Summary and Conclusion

The total cost of the project is estimated to be in the vicinity of \$20,000. Community fundraising is underway, and the project can be completed in stages with the number of years added according to funds raised.

Officers recommend that, should the Committee support the funding request, that recognition of Council's support be included in the promotion of the project and any project deliverables.

COMMUNITY ENGAGEMENT

Community consultation is not required under legislation or Council policy.

4.5 LYNDOKH COMMUNITY COMMITTEE WALL ART PROJECT - AMENDED PROPOSAL 24/85667

Monica Wohlstadt attended the meeting in support of the proposal.

MOVED Cr Preece

That the Community Assistance Scheme Committee:

- (1) Approve the amended proposal for the Lyndoch Wall Art Project to be placed on the toilet block wall at the Lyndoch Village Green
- (2) Should the proposal be accepted, that the Lyndoch Community Committee liaise with the relevant Council Staff to obtain permission and assistance with any pruning or removal of trees and/or shrubs.
- (3) Should the Art feature make reference to any location, it must promote "Lyndoch" and/or "Lyndoch, Barossa" and exclude identifying "Southern Barossa" in the Art project, and a draft of the design be forwarded to Council prior to commencement.
- (4) Should the proposal be accepted, requires that the Lyndoch Community Committee appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage, website and promotional material,
- (5) Should the Committee decline the amended proposal, require the Grant monies of \$4,000 to be returned to Council in full.

PURPOSE

To seek approval of an amended proposal as submitted by the Lyndoch Community Committee for the previously approved Wall Art Project.

REPORTBackground

At its meeting held 7 August 2024, the Community Assistance Scheme Committee approved a request from the Lyndoch Community Committee for an extension of time to facilitate the previously approved Wall Art Project. The project was to commission a piece of artwork on a select wall at Laganas Supermarket in Lyndoch.

Unfortunately, during the final stages of negotiations and planning, permission was rescinded by the property owner.

Introduction

The Lyndoch Community Committee have noted the suggestion from Council and selected the toilet block at the Lyndoch Village Green as the location for their Wall Art Project.

An updated proposal has been received and is included as Attachment 1.

The proposed design of the artwork would be in keeping with local features, a couple picnicking on a rug, glasses of wine, a platter and the Barossa Ranges in the background, along with other small local features.

Discussion

Should the alternative location be approved by the Community Assistance Scheme Committee, it has been requested that an old bottle brush and nearby shrubs be removed to open the visual impact.

Photos of the toilet block and surrounds form Attachment 2.

Summary and Conclusion

Should the Committee not approve the alternative location for the Wall Art Project, it would require that the Grant monies of \$4,000 be returned in full to Council.

COMMUNITY ENGAGEMENT

Community consultation is not required under legislation or Council policy.

4.6 VINE VALE TENNIS CLUB - COMMUNITY GRANT APPLICATION **24/86821**

MOVED Cr de Vries

That the Community Assistance Scheme Committee:

- (1) Supports a Community Grant of \$2,000.00(ex GST) towards the purchase of an Automatic External Defibrillator (AED) to be installed in the Vine Vale Tennis Clubrooms.
- (2) Require the Vine Vale Tennis Club to appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage, website and promotional material if successful in obtaining grant funding.

SECONDED Cr Preece

CARRIED CA 2022-26/69

PURPOSE

To consider a Community Grant Application (the Application) from the Vine Vale Tennis Club, seeking \$2,000.00 to assist with the purchase of an Automatic External Defibrillator (AED) to be installed in the Clubrooms.

REPORT

Background

The Vine Vale Tennis Club, located at 967 Light Pass Road Vine Vale, is privately owned and consists of 5 truflex tennis courts, all under lights. Junior and Senior competitions are held on Saturday, Monday and Wednesday nights, and junior coaching ranging from beginners to Division 1, is held on Thursday nights.

Introduction

The Vine Vale Tennis Club boasts a membership of approximately 100 people, ranging in ages from 5 years to 70 years of age.

Discussion

The *Automated External Defibrillators (Public Access) Act 2022* was recently introduced and requires the installation and registration of Automated External Defibrillators in certain buildings, facilities and vehicles and for other purposes.

The Act applies to designated buildings or facilities which is defined under section 4 and includes 'sporting facilities'.

The importance of defibrillation has been well established as part of overall resuscitation, along with effective CPR.

With cardiac arrest, time to defibrillation is a key factor that influences a person's chance of survival.

Although the Vine Vale Tennis Club currently has reasonable cash and investment holdings, a significant portion of this will be utilized to resurface the courts within the next four years.

Summary and Conclusion

AED devices are often found in public places, such as schools, and sporting complexes, and recently introduced legislation will mandate the provision of an AED in a growing list of public areas.

Officers recommend that should the Committee support the funding request, that recognition of Council's support be included in any promotion of the project.

4.7 NURIOOTPA TENNIS CLUB - COMMUNITY GRANT APPLICATION **24/88589**

MOVED Cr Preece

That Community Assistance Scheme Committee:

- | |
|--|
| <ol style="list-style-type: none"> (1) Supports a Community Grant of \$1,000.00 (ex GST) towards the purchase of a Ball Throwing Machine. (2) Require the Nuriootpa Tennis Club to appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage, website and promotional material if successful in obtaining grant funding. |
|--|

SECONDED Cr Angas

CARRIED CA 2022-26/70

PURPOSE

To consider a Community Grant Application (the Application) from the Nuriootpa Tennis Club, seeking \$2,000.00 to facilitate the purchase of a Ball Throwing Machine.

REPORT

Background

The Nuriootpa Tennis Club is located on Penrice Road, adjacent to the Nuriootpa Centennial Park and members range in age from 5 years to 80 years+.

Introduction

The Nuriootpa Tennis Club have applied for grant funding to enable the purchase of a Ball Throwing Machine. It is planned that the Machine would be a social and training asset for players and visitors of a wide range of ability. Additionally, it is planned to utilise the Machine as a fundraising asset and available for hire by other clubs and organisations.

Discussion

The Nuriootpa Tennis Club envisages that the purchase of the Ball Throwing Machine would be a practical and enjoyable introduction to the Machine for beginner juniors and their families, encouraging fitness and with the added benefit of potential membership growth.

Although the Nuriootpa Tennis Club have funds in reserve, this has been allocated to future upgrades to lighting which currently does not meet Tennis Australia standards.

Fundraising by the Committee and members over the years has been through BBQ's at Mitre 10, planning and running the Elderton Classic (currently suspended) and limited canteen sales. The Tennis Club have also identified the need for 2 shade/rain shelter structures to cover existing seating by the courts, which will be paid for out of Club funds.

Summary and Conclusion

The Nuriootpa Tennis Club have submitted a quote for a mid-range Ball Throwing Machine. The Tutor Cube Ball Machine would be more economical when compared to the more expensive Machines, allowing for standard tennis balls to be used.

Officers recommend that should the Committee support the funding request, that recognition of Council's support be included in the promotion of the project and any project deliverables.

4.8 BAROSSA ARCHERY CLUB - COMMUNITY GRANT APPLICATION 24/88769

MOVED Mayor Lange

That the Community Assistance Scheme Committee:

- (1) Supports a Community Grant of \$2,500.00(ex GST) towards costs associated with staging the World Crossbow Championships in March 2025.
- (2) Require the Barossa Archery Club to appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage, website, promotional material and packaging (if possible) is successful in obtaining grant funding.

SECONDED Cr de Vries

CARRIED CA 2022-26/71

PURPOSE

To consider a Community Grant application (the Application) from Barossa Archery Club, seeking \$5,000 (ex GST) towards costs associated with the staging of the World Crossbow Championships, to be held in Rowland Flat in March 2025.

REPORT

Background

The World Crossbow Shooting Association is the world body for target crossbow shooting around the world. This organisation manages the shooting rules, standards, and approves hosts for the World and Regional Championships.

Introduction

The World Crossbow Shooting Target Championships are held every two years in varying locations around the world. Australia has hosted the championships four times, once in Western Australia and twice in South Australia at Morphett Vale and Strathalbyn.

The Championships attract shooters from many countries including England, Ireland, Norway, Sweden, Germany, Estonia, Croatia, Portugal, India, United States and Australia.

On average between 50 and 80 shooters compete for the various awards based on age groups from Junior to Senior 70+

The 11th World Target Championships will be staged at the Rowland Flat Airfield/Rowland Flat Model Aero Club from 18 – 24 March 2025.

Crossbow use and possession in Australia is strictly controlled by legislation with each State and Territory having its own version. In South Australia, regulations require local shooters to be members of an Archery Australia Archery Club.

The Championships will be strictly controlled by the World Crossbow accredited judges using the WCSA competition and shooting rules.

Discussion

It is envisaged that the Championships will attract between 50-80 participants (plus family and friends) to the Barossa Valley.

Participants will include many overseas travellers, and it could be assumed that the majority will require accommodation in the lead up to, during the five day championships, and possibly for an extended period afterwards. This will create a flow-on benefit to hospitality and tourism businesses in the Barossa.

The Barossa Archery Club receives 25% of the Archery Australia membership fees. 100% of these funds goes towards covering insurance, electricity, and some equipment maintenance. The Club charges members a \$5.00 range fees which helps cover maintenance of equipment, target consumables, and grounds keeping.

Summary and Conclusion

The 11th World Crossbow Target Championship will be held in Rowland Flat over a five-day period commencing 18 March 2025, and it is expected to attract in the vicinity of 50 – 80 participants, bringing economic benefits to various businesses in the Barossa.

Should the Archery Club be successful in obtaining Grant Funding, the funds will be utilised to fund the necessary hire of facilities such as portable toilets and the transportation of Archery South Australia target equipment to and from the Rowland Flat site.

Officers recommend that, should the Committee support the funding request, that recognition of Council's support be included in the promotion of the project and any project deliverables.

4.9 ANGASTON AGRICULTURAL, HORTICULTURAL AND FLORICULTURAL SHOW SOCIETY 24/88810

MOVED Cr Preece

That the Community Assistance Scheme Committee:

- (1) Supports a Community Grant of \$1,019.04 (incl GST) to support the purchase of a printer, ink and portable Wi-Fi modem.
- (2) Require the Angaston Agricultural, Horticultural and Floricultural Show Society to appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage, website, promotional material and packaging (if possible) if successful in obtaining grant funding.

SECONDED Cr Angas

CARRIED CA 2022-26/73

PURPOSE

To consider a Community Grant Application (the Application) from the Angaston Agricultural, Horticultural and Floricultural Show Society, seeking a total of \$1,019.04 (GST inclusive) to support the purchase of a printer, ink and a portable Wi-Fi modem.

REPORT

Background

The Angaston Show is a community event that has been running annually as an Incorporated Country Show for 127 years, noting the event was hosted within the community for approximately 20 years before that.

The Show does not run to make a profit but aims to support local community groups by providing them with income and fundraising opportunities during the annual event.

The Show is coordinated by a small group of dedicated volunteers.

Introduction

The Angaston AH&F Show Society were successful in obtaining Community Grant Funding of \$5,000.00 in August 2023, which was utilised to develop and implement the Showday On-Line platform, which facilitated 90% of the 2,000 exhibitor registrations online, significantly reducing manual data entry for the small volunteer team.

Discussion

The next step proposed is to expand the use of the platform to streamline the live judging process. Additionally, by submitting results digitally, it will be possible to automatically generate and print 1st, 2nd and 3rd place cards, and exhibitor cards, eliminating the need for volunteers to handwrite cards.

Additionally, programs and advertising posters for the show can be printed, maintaining accessibility and affordability when done 'in-house'.

The purchase of a portable Wi-Fi modem would provide stable internet access in the Show Hall office and negate the need for volunteers to utilise their personal phone hotspots, thus depleting their personal data, and resulting in a personal cost.

The cash and Investment detailed in the application indicate a reasonable balance, however, \$10,000 of the balance represents a rolling perpetual bequest from the Blenkiron family, specifically to be used for the Horses In Action section.

Summary and Conclusion

If successful in obtaining funding, the Angaston Show Society will use the funding to purchase a printer, ink and Wi-Fi modem, reducing the administrative burden on the committee members, while further engaging with the community, promoting growth and participation.

4.10 STOCKWELL COMMUNITY ASSOCIATION INCORPORATED - COMMUNITY GRANT APPLICATION
24/90114

Cr Schilling declared a Conflict of Interest due to her attendance at the Stockwell Community Association meetings, but it was not perceived to be a material Conflict so therefore Cr Schilling would remain in the meeting.

MOVED Cr Preece

That Community Assistance Scheme Committee:

- (1) Supports a Community Grant of \$1,250.00.(GST inclusive) towards the 'Digital Empowerment for Community Engagement' Project.
- (2) Requires that the Stockwell Community Association Incorporated appropriately acknowledge The Barossa Council as a funding source for the project through social media, website and promotional material if successful in obtaining funding.

SECONDED Cr de Vries**CARRIED CA 2022-26/74****PURPOSE**

To consider a Community Grant Application (the application) from the Stockwell Community Association Incorporated, seeking funds of \$1,250 (GST inclusive) towards the Digital empowerment for Community Engagement project.

REPORT

Background

The Stockwell Community Association (SCA) was established approximately two years ago with the aim of promoting, documenting and preserving the history of Stockwell for current and future generations.

SCA is a not-for-profit group of residents, business owners and sports teams who work together in areas including commerce, tourism, social and sporting activities for the promotion and benefit of Stockwell and immediate regions.

The Committee currently consists of 20 volunteers.

Introduction

The Stockwell Community Association have applied for Community Grant funds to assist with the purchase of a computer, printer, associated software, and basic training for Committee members, allowing for transition to an online platform for more efficient operations and a broader community outreach.

Discussion

The purchase of a computer and printer will assist in streamlining the operations of the Committee, increasing its online presence, and encouraging and improving member participation. It will also serve as a resource for Committee members to develop digital literacy and receive training on online tools, improving their ability to engage with and support the community.

At its meeting held 1 May 2024, the Community Assistance Scheme Committee approved Community Grant funding of \$1,064.00 (GST inclusive) towards the History Trail App and Archiving materials for the Stockwell Community Association.

At the time of writing this report, confirmation of the Association's financial position (financial report and/or bank statements) had been requested but not received.

Summary and Conclusion

The project supports the Association's long-term goals of enhancing community engagement and accessibility, creating a space where history and community stories can be preserved and celebrated, while also supporting the broader social, cultural and economic needs of Stockwell.

Officers recommend that should the Committee support the funding request, that recognition of Council's support be included in the promotion of the project and any project deliverables.

4.11 EDEN VALLEY TOURISM INCORPORATED - COMMUNITY GRANT APPLICATION 24/90116

MOVED Cr de Vries

That the Community Assistance Scheme Committee:

- (1) Supports a Community Grant of \$3,844.00 (GST inclusive) towards the Eden Valley Lookout Upgrade.
- (2) Should the funding request be successful, the Eden Valley Tourism Group is to be notified of Council's position on security cameras in public areas, and the potential for Development Approval should signage or the size of the rain water tank exceed the size detailed in the application. A Section 221 Application (approval to undertake works on Council land) would also need to be submitted and approved by Council prior to the commencement of the project works.
- (3) Require Eden Valley Tourism to appropriately acknowledge The Barossa Council as a funding source for the project through social media, signage and website promotions if successful in obtaining grant funding.

SECONDED Cr Preece

CARRIED CA 2022-26/75

PURPOSE

To consider a Community Grant Application (the Application) from Eden Valley Tourism, seeking \$3,844.00 (GST inclusive) towards the Eden Valley Lookout Upgrade (Refer Attachment 1).

REPORT

Background

Established by the Eden Valley Tourism Group, the Eden lookout is located on Three Cols Road, perched atop Burke's Hill overlooking Eden Valley. The lookout forms part of a Council Road Reserve.

The Eden Valley Tourism and Promotional Group was legally formed in 2009 and is supported by a committee of 11 volunteers.

Introduction

The Eden Valley Tourism Group (the Group) currently maintain the Eden Valley Lookout. The Lookout is perched nearly 400m above sea level and affords 360 degree views of Eden Valley and surrounding areas.

The Lookout is promoted on the Group's website and received many visitors, both locals and tourists to the area.

Currently the site consists of a small picnic area with two large tables and bench seating, several additional benches and a dozen large rocks upon which plaques detail local history and areas of interest. A directional dial and large cross and signage are also on site.

Discussion

The Group has a Two Phase Plan to rejuvenate the site, and the application for funding will assist with the implementation of Phase One.

Phase One would include the planting/replacement of native trees, flowers and grasses, and install a small (discreet) water tank for irrigation use which local farmers with fire fighting units/tanks have offered to refill as necessary.

It would also include general maintenance and refurbishment of the tables and benches, fence and post repairs, and replacement of signage (300x200x5mm).

The Group also proposes to install a security camera, however this is unlikely to be supported by Council.

Although the Annual Financial report for the Group indicate reasonable funds, the majority of it is earmarked for the following:

Institute Fence contribution:	\$750.00 (as part of the public toilets installation)
Wirraminna Grant:	\$2,960.00 (to buy equipment/advertise Community Coffee/community resilience)
Silhouette Funds	\$941.99 (money raised to install more silhouettes)
EV Cellar Door Group	\$2,069.75 (auspiced on behalf of the Eden Valley Cellar Door Group)

Summary and Conclusion

Eden Valley Tourism Incorporated are seeking funding to assist with the costs associated with the Eden Valley Lookout Project update.

Should the Committee support the funding request, it is recommended that Council confirm Council's security camera stance in writing to the Group prior to the commencement of the Project and reiterate the potential need for Development Approval if signage was to exceed the listed size of 300x200x5mm.

Officers also recommend that should the Committee support the funding request, that recognition of Council's support be included in the promotion of the Project.

COMMUNITY PLAN / CORPORATE PLAN / LEGISLATIVE REQUIREMENTSCommunity Plan

Natural Environment and Built Heritage

Goal

- 2 The history of our region including aboriginal sites is reflected in our streetscapes and our historic buildings are maintained for future generations.

Strategies

- 2.1 Continue to maintain streetscapes that reflect the character and heritage of the region and facilitate opportunities to repurpose or find alternative uses of built heritage.
- 2.2 Ensure clearly defined townships are maintained to manage residential and commercial development that is sensitive to the natural environment and areas of historical significance.

FINANCIAL, RESOURCE AND RISK MANAGEMENT CONSIDERATIONS

Council's allocated budget for 2024/2025 is \$10,100, which can be allocated towards this year's heritage grant applications.
