5.2 FUTURE OF THE SISTER CITY AGREEMENT BETWEEN THE BAROSSA COUNCIL AND KUMENAN TOWN, JAPAN 26/212

MOVED Rolf Binder

That the Sister Cities Advisory Committee support the ceasing of the Sister City agreement between The Barossa Council and Kumenan Twon, Japan and recommend that Council formalise the end of the arrangement.

SECONDED Louise Hickinbotham

CARRIED SCACC/3

PURPOSE

To provide the Committee with an update on Council's Sister City arrangements and seek the support of the Committee to recommend Council's cessation the Sister City Agreement with Kumenan Town, Japan.

REPORTIntroduction

In undertaking research on The Barossa Council's Sister City arrangements, it is confirmed that the following relationships have taken place:

Background

Sister cities, or twin towns as it is also known in other countries, is an agreement to foster strong cultural and commercial ties between two cities or regions. These long term, formal agreements facilitate a wide range of opportunities for both cities to participate in international educational, community, cultural, technical and business exchanges.

Kumenan is a town located in Kume District, Okayama Prefecture, Japan with an estimated population of approximately 4483 and is known as the birthplace of Honen, the founder of the Jodo sect of Buddhism. The temple where he was born stands in Kumenan Town and is called Tanjoji. The temple has a massive and stunning ginkgo tree, a symbol for the town.

There are few flatlands, and most of the town consists of mountains, forests, and plateaus with the main industry in the area being agriculture. Crops include rice, fruit trees such as pears and grapes, leaf tobacco, and poultry farming.

Kumenan Town in Okayama in Japan entered into a Sister City relationship with The Barossa Council in 2002 by formally signing an agreement that did not stipulate a time period or end date of the agreement.

The relationship initially fostered a mutual understanding and friendship between citizens of the two Councils contributing to good relations between Australia and Japan. The relationship has seen student exchanges (Faith Lutheran College) in the

early 2000's between the two towns, involving the sharing of cultures, education, sport, tourism, and economics.

Delegates, students and teachers from Kumenan, Japan visited the Barossa in 2006 and again in 2008.

Correspondence since then has been sparse and involved a Christmas greeting but nothing of substance until 2017, where we received a letter highlighting that it had been over 6 years with no contact and a suspension on the student exchange program.

According to a letter received from a representative from Kumenan Town late 2024 the homestay exchange program of the international sister-city relationship has been suspended since 2011 due in part to the decreasing number of students attending the three elementary schools and one junior high school in the town. Their wish is to have an international exchange project with cultures in the form of school textbooks/picture books between Barossa and Kumenan. No records show that this indeed took place.

Further to this, there has been no correspondence other than an annual Christmas Card greeting.

Discussion

The Barossa Council has now entered into another Sister City relationship with the City of Grapevine, Texas which was formalised in September 2023 and has seen a Section 41 Committee be established with members of the community, industry leaders and staff develop the relationship with a successful Study Tour and community benefits seeing the objectives of the agreement coming to fruition.

Acknowledging that fostering an international relationship and developing on ground benefits requires the Committee and in turn, the Council to commit to resourcing and planning, and as such, we are now seeking the Committee's view on ceasing the Sister City relationship with Kumenan Town, Japan, understanding that the relationship is no longer be producing outcomes for our community.

Summary and Conclusion

The Sister City Advisory Committee is asked to formally recommend to Council that the Sister City relationship with Kumenan Town, Japan be ceased.
