

MEETING NOTES

Elected Member Workshop held on Wednesday 3 June 2026 at 5:30pm in the Council Chambers, 43-51 Tanunda Road, Nuriootpa.

An Information or Briefing Session is held under Section 90A of the Local Government Act 1999.

1. ITEMS FOR DISCUSSION/PRESENTATIONS

1.1 Barossa Creative Industries Centre Operations Framework and Strategy

Notes: Play Your Part consultation and staff briefed Council on the final draft of the Arts and Culture strategy, how it will be operationalised and a framework for current and future fund raising around the BCIC model. Feedback was sought and a formal report will be provided for Council consideration.

1.2 Community Connection (Governance) Framework

Notes: A further briefing on the proposed framework for community governance and how it connects to community development and wellbeing as well as decision making was undertaken. The feedback was positive and officers will proceed to developing Council reports and the plans for consultation.

1.3 Talunga Park Public Consultation Outcomes for Discussion

Notes: A summary of consultation and all submissions were tabled. Officers sought any further feedback and additional input requirements before bringing the matter back for formal determination of Council.

1.4 SANFL/AFL - Tanunda Oval - AI Camera Pilot Program

Notes: A pilot program has been suggested to record games and broadcast them, this was presented as a briefing for Council and advised results will be provided once the pilot is completed.

1.5 Gawler River Floodplain Management Authority - Future Directions

Notes: Due to recent matters in GRFMA including Councils wishing to exit and another Council raising a formal dispute a general conversation was had about changing the strategic direction to solve the long term problem. This was discussed and in due course a discussion paper will be developed in the next 12 months and brought to Council for discussion.
